Heideroosjes, Turn Around And Run!

Hesitation is no alternative, there's no time to think, I just take the first bus to escape...from out of here I don't wanna talk to this stupid people in this boring city Please don't ask me to stay...for one minute more

I TURN AROUND AND RUN!

I could do my best to write a poem about this horror but I'm too f**ked up to rhyme...so I don't rhyme! If you ever go to a place like this, just make sure you don't miss the last train back home

I GOTTA GOTTA GO Where? Oh my God, I don't even know BUT I GOTTA GET AWAY FROM HERE
