

Hillsong United, Bless The Lord

To you my love, my joy, my song
I lift my voice, my heart and soul
In worship

As eagles soar across the sky
So my spirit reaches high
Toward you

As the deer pants for the water so
My soul cries for you
As a child has rest in arms of love
So I rest in you

You are the great and mighty
Risen lord my king of glory
Oh my soul bless the lord

You reign in strength and power
Awesome god my strong tower
Oh my soul bless the lord
