

# Hillsong United, Carry Me

You lead me in to Your courts  
Surround me with Your love  
I walk with You  
I do not fear

In this place  
Dreams are made  
In this place  
Where You are  
Carry me here  
In Your arms of love  
Draw me close to You  
I want to be where You are  
I want to be where You are

You carry me, You are my strength  
I've learnt to trust in You  
And once again  
I'm reaching out
