

Hillsong United, Faithful

"You know my future like you knew my past
And Your word concerning me was made to last
Forever

And I know Your word is Your integrity
And that You'd do just what You said You would
You are faithful

Heaven and earth will pass away
But Your word will remain
Your word will remain faithful

Now all I have be stripped away
But to You I remain
To You I remain faithful

I know that Your love is forever strong
And I will sing about it all day long
Forever

I know that there is no one else like You
And no one else can do the things You would
You are faithful
