Hillsong United, Father Of Creation

We come into Your presence To sing a song to You A song of praise and honour For all the things you helped us through

You gave a life worth living A life in love in with You And now I just love giving All my praises back to You

You're the Father of Creation
The risen Lamb of God
You're the One who walked away
From the empty tomb that day
And You set your people free
With love and liberty
And I can walk with you
Every night and every day
