

# Hillsong United, Stay

Stay

Words and Music by: Luke Munns

I am not the same  
I've been called by name  
You gave me new life  
I cannot express how it feels  
Here in your arms

Here I'll stay forever  
I have found your love  
Here I'll stay forever  
Hold me in your arms

Jesus take my hand  
Lead me on your path  
I give you my life  
I cannot express how it feels  
Here in your arms

Here I'll stay forever  
Here I'll stay with you
