

# Hillsong United, Stronger Than

Oh Lord You have shown Your favour  
Your every word stands true  
I'm found safe within in Your harbour  
Anchored deep in You  
You washed away my tears  
Gave me joy and freedom  
Lifting me through the years

Your love is stronger than  
The sound of heaven's praises  
Higher than  
The lofty mountain peaks  
Deeper than  
The deepest ocean valleys  
Strong enough for me
