Hillsong United, Take It All

Searching in the world The lost will be found In freedom we live As one we cry out

You carry the cross You died and rose again My God I'll only ever give my all

You sent Your Son From Heaven to earth Delivered us all It's eternally heard

I searched for truth And all I found was You My God I'll only ever give my all

Jesus we're living for Your Name We'll never be ashamed of You In our praise And in all we are today Take, take, take it all

Running to the One who heals the blind Following the shining light In Your hands the power to save the world My life
