

# House Of Heroes, Suicide Baby

Up the stairs and down the hall.  
To your door and through the wall.  
Sorry that I never called.

I can't loose you, cuz you're my only one.  
I can't loose you, cuz you're my own.  
I must be crazy.  
I never thought it would come to this.  
And maybe, it's suicide by small increments.  
Amazing, I'll admit that it's amazing.  
I can not get my hands around it.

Brick by brick I built these walls.  
Sorry that I never called.  
So please, come to your window.  
Been throwing rocks all night.
