

Howlin' Wolf, Nature

Ah that is nature, won't let me treat you right
Ah that is nature, won't let me treat you right
I'm out lookin', on the other side
You know I love you, want to stay with you day and night
You know I love you, I want to stay with you day and night
I'm just out lookin', I'm usin' my sight
I'm workin', babe day and night
I'm workin', baby day and night
Ah, that's nature, won't let me come to your side
I'm sorry baby, I'm sorry baby
I'm sorry baby, I'm sorry baby
I'm sorry baby, nature caused me to mess up my life
