

I Am Legion, Powerplay

[Hook]

Powerplay

Dust these suckers off

Beggar fam all day

Keep it fuckin' raw

Got that gully sheeit

Plus we at the top

Keep it dutty fam

And we don't ever stop

[Verse 1: Orifice Vulgatron]

We ain't down for the chat

We on a PS ting pounds in da bag

Goons in a whip inna beef round back

Man are on a feed me ting allow dat

Nik's on the beats and that shit sounds bad

We don't give a fuck if the steez sound mad

More time the beans wanna eat down pav

On they knees tryin'a suck a one seed from my sack

Mana or a speed ting never out slack

Never been a leave me outta dat chap

Fam it's never been about that

And if it's dat then meet me out back

You don't wanna see me reach for the bat

Anybody beggin it get treat like a tramp

Bredders there bringin bare heat to the camp

But they about to get cleaned out bam

[Hook]

[Verse 2: Metropolis]

Soldier alone, cold to the bone

All up in the warzone holding my own

Flow with a raw tone go for the throne

Black Ops sniper with a scope on your dome

Kissed 'em good by now he's flown from the home

But won't be a name in bold on a stone

No knowing when I'm coming back but I'm going

Rap juggernaut you got no hopes of slowing

Breezy on beats, got heat for the streets

Replays off deejays, we blaze for weeks

Keeping hating FB's I'ma keep making P's

Keep lacing sheets, any beat slain with ease

I hold magazines, load phrases in these

Stare down a biro, aim and I squeeze (hurrgh)

You breddars can't fuck with the G's

You get owned in a clash now you're over, deceased

[Hook]
