

Iana, Aja Mara (ft. Alessandra)

Slow down, don't rush it, baby, I'm yours now,
I'm learning fast, show me how.
Open your heart for love, love, love now.
Slow down, you are my baby,
You are my baby, my shining star.
Slow down, you are my only,
You took me so far.

Where you go, where you go, baby baby,
Hit me high, hit me low, feel me crazy.
We're never so, never so, never sorry.
Ataree, Ataree.

Azimbwa mahalla, ekki ekki, ekki ekki mwhe.
Ahwel haa masalla, ekki ekki, ekki ekki mwhe.
I don't wanna hurt you, just wanna love you,
We'll never be apart.
Azimbwa mahalla, ekki ekki,
The story of my heart.

Where you go, where you go, baby baby,
Hit me high, hit me low, feel me crazy.
We're never so, never so, never sorry.
Ataree, Ataree.

Slow down, don't rush it, baby, I'm yours now,

Open your heart for love, love, love now.
Slow down, you are my baby,
You are my baby, my shining star.
Slow down, you are my only,
