Iced Earth, Dracula

Do you believe in love? Do you believe in destiny? True love may come only once in a thousand lifetimes...

I too have loved...they took her from me. I prayed for her soul....I prayed for her peace

When I close my eyes I see her face, it comforts me When I close my eyes Memories cut like a knife

The blood is the life, and Christ I defy. My sworn enemy...birth of a new creed.

Is this my reward for serving God's own war? The blood I've spilled for faith fulfilled. To damn her, a disgrace, you spit back in my face. I served you loyally, and you spew blasphemy.

I avenge with darkness, the blood is the life The Order of the Dragon, I feed on human life

There are far worse things awaiting man than death Come taste what I have seen I'm spreading my disease I will feed upon His precious child The human race will bleed, they will serve my need.

(Pre-chorus)
I avenge with darkness, the blood is the life
The Order of the Dragon, I feed on human life

(Chorus)
I am the Dragon of blood, a relentless prince of pain
Renouncing God of His throne
My blood is forever stained

For true love I shall avenge I defy the creed that damned her
