

Iggy Azalea, Mo Bounce

Mo bounce
Bounce /7x
Bounce in the motherfuc* house
Bounce, mo Bounce /3x
/4x

Bounce like a motherfuc* 64' sick flow
Slick talk
Spitting the Crico
Drop that shit
Like a cholo at the dub show
Can you hit the switch and pick it up and let the qworld know?
Hommie if you're broke, no you donn;t deserve hoes
All these fake boulders only getting on my nerves though
I just cracked a 40
Now, I'm sipping out the straw slow
Little bit of ratchet, little boogie
You should all know
Everybody got options, like asshole
You ain;t got worry about those
Cause they ashools
We just come to a party
What you came for?

When that shit goes down
The block get loud
In your backyard bumping while we're blazing ut
Make it bounce in the motherfuc* house
Me bounce in the motherfuc* house
/2x

Mo bounce
Bounce /7x
Bounce in the motherfuc* house
Bounce, mo Bounce /3x
/4x

Bounce that ass /3x
Puff the leg or get high off the concert
Call the low
We gonna ,make sure we come back
Falling off, we ain;t never ever been about that
Hundred spokes spinning on a chrome rim
I got a filling thet tonight we gonna be going in
I;m with few bad bitches
And some grown men
With the ice so cold
I feel like I;m Snowden
I feel like I'm rolling, biut the whole place geeked up
Getting you ain;t gotta worry
We ain;t dangerous
We came up!

When that shit goes down
The block get loud
In your backyard bumping while we're blazing ut
Make it bounce in the motherfuc* house
Me bounce in the motherfuc* house
/2x

Mo bounce
Bounce /7x
Bounce in the motherfuc* house
Bounce, mo Bounce /3x

/4x

--

Piosenka zatytułowana "Mo Bounce" to drugi singel z płyty Iggy Azalei "Digital Distortion". Pierwszym singlem ze wspomnianego albumu jest piosenka "Team".

Druga płyta australijskiej raperki początkowo miała ukazać się już w 2016 roku, jednak problemy organizacyjne przesunęły jej premierę. "Digital Distortion" będzie drugą płytą w dyskografii artystki, poprzednia płyta, "The New Breed", została wydana w 2015 roku.
