

# Iggy Azalea, Work

Walk a mile in these Louboutins  
But they don't wear these shirts where I'm from  
I'm not hating, I'm just telling you  
I'm tryna let you know what the fuck that I've been through  
Two feet in the red dirt, school skirt  
Sugar care, back lanes  
Three jobs, took years to save  
But I got a ticket on that plane  
People got a lot to say  
But don't know shit about where I was made  
Or how many floors that I had to scrub  
Just to make it past where I am from

No money, no family  
Sixteen in the middle of Miami

I've been up all night, tryna get it right  
I've been work work work working on my shit  
Milked the whole game twice, gotta get it how I live  
I've been work work work working on my shit  
Now get this work

You can hate it or love it  
Hustle and the struggle is the only thing I'm trusting  
Thorough bread in a mud brick before the budget  
White chick on that Pac shit  
My Passion was ironic  
And my dreams were uncommon  
Guess I gone crazy, first deal changed me  
Robbed blind basically raped me  
Ran through the bullshit like a matador  
Just made me madder and adamant to go at em  
And even the score  
So, I went harder  
Studied the Carters till a deal was offered  
Slept cold on the floor recording  
At 4 in the morning and now I'm passion the bar  
Like a lawyer  
Immigrant, art ignorant  
Ya I'll intent was insurance for my benefit  
Hate be inconsiderate, but the industry took my innocence  
Too late, now I'm in this bitch!  
You don't know the half  
This shit get real  
Valley girls giving blowjobs for Louboutins  
What you call that?  
Head over heels.

No money, no family  
Sixteen in the middle of Miami

I've been up all night, tryna get it right  
I've been work work work working on my shit  
Milked the whole game twice, gotta get it how I live  
I've been work work work working on my shit  
Now get this work

Pledge allegiance to the struggle  
Ain't been easy  
But cheers to Peezy, for the weeks we lived out of duffle  
Bags is all we had  
Do anything for my Mum, I love you  
One day I'll pay you back for the sacrifice  
That ya managed to muscle

Sixteen you sent me through customs so  
All aboard my spaceship to Mercury  
Turn First at the light that's in front me  
Cause every night I'mma do it like it's my last  
This dream is all that I need  
Cause it's all that I ever had

No money, no family  
Sixteen in the middle of Miami

I've been up all night, tryna get it right  
I've been work work work work working on my shit  
Milked the whole game twice, gotta get it how I live  
I've been work work work work working on my shit  
Now get this work
