

ILIRA, PAY ME BACK!

just like a slot machine
honey, you had your greedy little hands on me
crushed, though you'd cum for free
sorry, I almost had to file for bankruptcy

and I wasted all those summer nights
in Disneyland, ymy ride or die
on you
you raised your hand and testified
then took my credit card and swiped
how rude, so rude

pay me back
witness stand
can't you be an honest man
pay me back
I am in debt
never chipped in with the rent
pay me back
movie nights and romantic dinner plans
wish that I could that check
so pay me back

so pay me back
wish that I could that check
so pay me back

damn, I am no ATM
but you want all my money like you're uncle sam
can't you understabnd
oh man you never grow up
like you're Peter Pan

and I wasted all those summer nights
in Disneyland, ymy ride or die
on you
you raised your hand and testified
then took my credit card and swiped
how rude, so rude

pay me back
witness stand
can't you be an honest man
pay me back
I am in debt
never chipped in with the rent
pay me back
movie nights and romantic dinner plans
wish that I could that check
so pay me back
