

# Imagine Dragons, Gold

Fast comes the blessing of all that you dreamed  
But then comes the curses of diamonds and rings  
Only at first did it have its appeal  
But now you can't tell the false from the real

Who can you trust?  
Who can you trust?

When everything, everything, everything you touch turns to... gold, gold, gold  
Everything, everything, everything you touch turns to... gold, gold  
Gold, gold, gold, gold

Statues and empires are all at your hands  
Water to wine and the finest of sands  
When all that you have's turnin' stale and it's cold  
You no longer fear when your heart's turned to gold

Who can you trust?  
Who can you trust?

When everything, everything, everything you touch turns to... gold, gold, gold  
Everything, everything, everything you touch turns to... gold, gold  
Gold, gold, gold, gold

I'm dying to feel again  
Oh, anything at all  
But, oh, I feel nothing, nothing, nothing,  
Nothing

When everything, everything, everything you touch turns to... gold, gold, gold  
Everything, everything, everything you touch turns to... gold, gold  
Gold, gold, gold, gold
