## Imagine Dragons, Not Today

There she goes in front of me Take my life and set me free again We'll make a memory out of it Holy road is at my back Don't look on, take me back again We'll make a memory out of it

We finally fall apart and we break each other's hearts If we wanna live young love we'd better start today

It's gotta get easier, oh easier somehow
Cause I'm falling, I'm falling
Oh easier and easier somehow
Oh I'm calling, I'm calling
And it isn't over unless it is over
I don't wanna wait for that
It's gotta get easier and easier somehow
But not today, not today

There she goes in front of me Take my life, set me free again We'll make a memory out of it Holy road was at my back Don't look on, take me back again We'll make a memory out of it

We finally fall apart and we break each other's hearts If we wanna live young love we'd better start today

It's gotta get easier, oh easier somehow
Cause I'm falling, I'm falling
Oh easier and easier somehow
Oh I'm calling, I'm calling
And it isn't over unless it is over
I don't wanna wait for that
It's gotta get easier and easier

So come with me You'll come with me (eeyeeeah) So come with me You'll come with me (eeyeeeah) Not today, not today Not today, not today

It's gotta get easier and easier somehow
Cause I'm falling, I'm falling
And easier and easier somehow
Oh I'm calling and calling
And it isn't over unless it is over
I don't wanna wait for that
It's gotta get easier and easier somehow
It's gotta get easier and easier somehow
Not today, not today
Not today
