

# Imagine Dragons, Round And Round

We are all living the same way (the same way)  
We are escaping the same way (the same way)  
Circling  
We are a part of the same play (the same play)  
We think we're making our own way (our own way)  
Circling

You don't have to hold your head up high

Round and round  
I won't run away this time  
Till you show me what this life is for  
Round and round  
I'm not gonna let you change my mind  
Till you show me what this life is for

We are afflicted by fiction (by fiction)  
Building a case for eviction (eviction)  
Circling  
Guarding a tower of ancients (of ancients)  
Shooting down arrows of patience (of patience)  
Circling

You don't have to hold your head up high

Round and round  
I won't run away this time  
Till you show me what this life is for  
Round and round  
I'm not gonna let you change my mind  
Till you show me what this life is for

All the emptiness inside you  
Is hard enough to fill  
Without a sense of purpose  
Were setting up to fail  
You don't have to make it right  
Just hold your head up high

Round and round  
I won't run away this time  
Till you show me what this life is for  
Round and round  
I'm not gonna let you change my mind  
Till you show me what this life is for
