

# Imagine Dragons, Stuck

Time goes by and still I'm stuck on you  
Yeah, time goes by and still I'm stuck on you, ooh, you, ooh

I been afraid, don't wanna fade out of my body  
I been astray, barely awake, floating above me  
Covered in red, what can I say? I've been a zombie  
I'm feeling like I've been locked in a grave  
You were the laugh, you were the life, you were the party  
You were the brave, I was the weak, you were the army  
You were the faith, you were the truth, I was the sorry  
I'm feeling like you've been taking away

You were my one, you were my one  
When all has been said, all has been done  
You were my one, you were my one  
Now I am left reaching above me, oh, oh

Time goes by and still I'm stuck on you, ooh, you, ooh (Woah-oh)  
Yeah, time goes by and still I'm stuck on you, ooh, you, ooh

Why did you leave? Why did you go leaving me lonely?  
Didn't you know you were the home, you were the only?  
Where did you go? Where did you go? Where did you go?  
Come back to me

You were my one, you were my one  
When all has been said, all has been done  
You were my one, you were my one  
Now I am left reaching above me, oh, oh

Time goes by and still I'm stuck on you, ooh, you, ooh (Woah-oh)  
Time goes by and still I'm stuck on you, ooh, you, ooh (Woah-oh)

Time goes by and still I'm stuck on you  
Yeah, time goes by and still I'm stuck on you, stuck on you, you, you  
Oh, oh, oh, woah (Woah-oh, woah, oh)  
Oh, oh, oh  
As time goes by, as time goes by  
Woah

Time goes by and still I'm stuck on you, ooh, you, ooh (Woah-oh)  
Time goes by and still I'm stuck on you, ooh, you, ooh (Woah-oh)
