

# Imagine Dragons, Whatever It Takes

Feeling too fast to prepare for this  
Tripping in the world could be dangerous  
Everybody circling is vultures  
Negative, nepotist

Everybody waiting for the fall om man  
Everybody praying for the end of times  
Everybody hoping they could be the one

I was born to run  
I was born for this  
Whip, whip  
Run me like a race horse  
Hold me like a rip cord  
Break me down and build me up  
I wanna be the slip, slip  
Word upon your lip, lip  
Letter that you rip, rip  
Break me down, and build me up

Whatever it takes  
Cuz I love the adrenaline in my vines  
I do whatever it takes  
Cuz I love how it feels when I break the chain  
Whatever it takes  
you take me to the top  
I'm ready for  
Whatever it takes  
Cuz I love the adrenaline in my vines  
I do whatever it takes

Always had a fear of being typical  
Looking at my body feeling miserable  
Ale hanging on to the visual  
I wanna be invisible

Looking at my years like a martyrdom  
Everybody needs to be a part of them  
Never be enough from the particle sum

I was born to run  
I was born for this  
Whip, whip  
Run me like a race horse  
Hold me like a rip cord  
Break me down and build me up  
I wanna be the slip, slip  
Word upon your lip, lip  
Letter that you rip, rip  
Break me down, and build me up

Whatever it takes  
Cuz I love the adrenaline in my vines  
I do whatever it takes  
Cuz I love how it feels when I break the chain  
Whatever it takes  
you take me to the top  
I'm ready for  
Whatever it takes  
Cuz I love the adrenaline in my vines  
I do whatever it takes

Hypocritical, egotistical  
Don't wanna be the parenthetical

Hypothetical  
Working onto something that I'm proud of  
Out of the box an epoxy to the world  
And the vision we've lost  
I'm and apostrophe  
I'm just a symbol to reminds you that  
There;s more to see  
I;m just a proud of system  
A catastrophe  
And yet a masterpiece  
And yet a I'm half diseased  
And when I'm deceased  
At least I go down of my body soul to be a part of me  
I do what it takes

Whatever it takes  
Cuz I love the adrenaline in my vines  
I do whatever it takes  
Cuz I love how it feels when I break the chain  
Whatever it takes  
you take me to the top  
I'm ready for  
Whatever it takes  
Cuz I love the adrenaline in my vines  
I do whatever it takes
