

# Imagine Dragons, Yesterday

Here's to my future  
Here's to my yesterday  
Here's to change  
Oh, here's to my yesterday  
No tomorrow without a yesterday  
Here's to my future  
Goodbye to yesterday

All these years I've been searching  
For who I'm supposed to be  
All this time I've been wasting  
'Cause I was right in front of me

Oh, it's a crooked old tradition  
By a masterful magician  
But in the all this trouble I've met  
I haven't got one single regret, no

Here's to my future  
Here's to my yesterday  
Here's to change  
Oh, here's to my yesterday  
No tomorrow without a yesterday  
Here's to my future  
Goodbye to yesterday  
Yesterday

Oh, I'm a hopeless crash collision  
'Cause I'm a hostage to my pride  
By my own volition  
I've been a saint, i've been the truth, I've been the lie

Oh, it's a crooked old tradition  
By a masterful magician  
But in this all this trouble I've met  
I haven't got one single regret, no

Here's to my future  
Here's to my yesterday  
Here's to change  
Oh, here's to my yesterday  
No tomorrow without a yesterday  
Here's to my future  
Goodbye to yesterday  
Yesterday

A new day you can go, you can do anything you wanna  
It's your play, swing low, go high  
Anywhere you wanna  
You can reach for the moon  
Anywhere your dreams could take you  
Go astray, fade away  
Just leave it to yesterday

Here's to my future  
Here's to my yesterday  
Here's to change  
Oh, here's to my yesterday  
No tomorrow without a yesterday  
Here's to my future  
Goodbye to yesterday
