I can see you i can't see you
I can see you i can't see you
I can't see you i can see you again
I can' see you i can't see you again
I can see you i can't see you
I can see you i can't see you
I can't see you i can see you again
I can see you i can't see you my friend
I can give you i can't tell you
I can't give you i can tell you
I can't give you i can give you again
I can't tell you i can't tell you my name

Je voudrais du temps
Je voudrais te sentir prs de moi
Contre des temps morts
Est ce que tu m'aimes encore ?
Je voudrais du temps
Et te sentir encore prs de moi
Contre des plus forts
Est ce que tu m'aimes encore ?

I can't love you i can love you
I can't love you i can love you
I can't love you i can love you again
I can't kiss you i can't kiss you again
I can't feel you i can't see you
I can't feel you i can't see you
I can't feel you
I can't feel you again...
