

Inga & Anush, Jan Jan

How can I stay?
When you are away
What can I say?
If ya gonna tell me nothing
How can I smile?
When you are alone
How can I be without me?
Without me you cannot be
Cant you see?
We arent free
Fixed like a tree
To the holy ground
With my sound
Ill be always around
I wanna dance dont you stand
Sister, give me hand.
Everybody move your body
We are dancing NOR PAR /JAN JAN/
Everybody must be ready
Jumpin up with NOR PAR /JAN JAN/
