

# Ingrid Michaelson, Corner Of Your Heart

There's a corner of your heart for me.  
There's a corner of your heart just for me.  
I will pack my bags just to stay in the corner of your heart.  
Just to stay in the corner of your heart.

There is room beneath your bed for me.  
There is room beneath your bed just for me.  
I will leave this town just to sleep underneath your bed.  
Just to sleep underneath your bed.

There's one minute of your day.  
There's one minute of your day.  
I will leave this man just to occupy one minute of your day.  
Just to occupy one minute of your day.

Just to sleep underneath your bed.

Just to stay in the corner of you heart.
