Inna, Nirvana

I got lost in a city and no one about me missing you on my body baby I knoe we could be coild be more than amigios I'll be good if you let me 911, I'm on fire don't leave me lonely 911, I'm on Fire

Smoking nirvana Ring the la-la-la Smoking nirvana Come on ring the la-la-la

started a flame inside my heart Baby, don't ever put it out

Smoking nirvana Come on ring the la-la-la

I got lost in this feeling I got lost on Nirvana Grab my hand if you feel it

Baby I know we would be would be more than amigos

1508 I'll be good if you let me

911, I'm on fire don't leave me lonely 911, I'm on Fire

Smoking nirvana Ring the la-la-la Smoking nirvana Come on ring the la-la-la

started a flame inside my heart Baby, don't ever put it out

Smoking nirvana Come on ring the la-la-la
