

# Isaak, Always on the run (Niemcy - piosenka na E

(Run, na-na-ayy, run, na-na-ayy)

I am nothin' but the average  
Even though I'm special to some  
I can't refuse, I'm going under  
No one gives a shit about what's soon to come  
What's soon to come  
I know my blessing with the privilege  
Of doin' anything I want  
But I don't feel like getting stronger  
In my mind, it's just a game that can't be won  
That can't be won

I'm always on the run, run, run, run  
Close, but never done, done, done, done  
I can't break out when I'm free  
Lost in my own identity  
I'm on the run, run, run, run

I'm always on the run, na-na-ayy, run, na-na-ayy  
Run, na-na-ayy, run, na-na-ayy  
(It's like I'm on the) Run, na-na-ayy, run, na-na-ayy  
Run, na-na-ayy, run, na-na-ayy

All I do is keep my head up  
But it's time to keep the pace  
Like I'm haunted by the voices deep within  
Oh, they're just never gonna fade  
Not gonna fade

I'm always on the run, run, run, run  
Close, but never done, done, done, done  
I can't break out when I'm free  
Lost in my own identity  
I'm on the run, run, run, run

I'm always on the run, na-na-ayy, run, na-na-ayy  
Run, na-na-ayy, run, na-na-ayy  
(It's like I'm on the) Run, na-na-ayy, run, na-na-ayy  
Run, na-na-ayy, run, na-na-ayy

Run from the silence, screamin' for guidance  
Who am I fighting for?  
Get out of my head, I'm so sick and tired  
Can't do this anymore  
Run from the silence, screamin' for guidance  
Who am I fighting for?  
Get out of my head, I'm so sick and tired  
Can't do this anymore

Run from the silence, screamin' for guidance (Run, na-na-ayy, run, na-na-ayy)  
Who am I fighting for? (Run, na-na-ayy, run, na-na-ayy)  
Get out of my head, I'm so sick and tired (Run, na-na-ayy, run, na-na-ayy)  
Can't do this anymore (Run, na-na-ayy, run, na-na-ayy)  
Run from the silence, screamin' for guidance (Run, na-na-ayy, run, na-na-ayy)  
Who am I fighting for? (Run, na-na-ayy, run, na-na-ayy)  
Get out of my head, I'm so sick and tired (Run, na-na-ayy, run, na-na-ayy)  
Can't do this anymore (Run, na-na-ayy, run, na-na-ayy)
