

Isaiah, Don't Come Easy (Australia Eurovision 2017)

I can tell by the raise one more than this
Can we be much more beyond this sheets
No I don't
Don't wanna mess with your heart
But my love...
It's hard to love again

Don't come easy
And don't come cheap
I've been burnt too many times
To love easily
Don't mistake me
My love runs deep
But It Don't come easy
And don't come cheap
NO, Not with me

I used to move fast to raise my plan
But it newer works
No newer least, no
In my mind
I got to get it right
Take it slow
Before I just this time

Don't come easy
And don't come cheap
I've been burnt too many times
To love easily
Don't mistake me
My love runs deep
But It Don't come easy
And don't come cheap
NO, Not with me

And if you think I got a heart of stone
You couldn't be more wrong
You might think, I've been afraid to love
afraid to love
But it don't come easy
To many time
