

# Izabela Trojanowska, Animal song

In this jungle land  
We have become men.  
Gardens free and wild  
To mother nature's child

Oh, oh, oh

We are animal  
Every time we speak  
Raz, dwa, trzy  
The sense is so unique  
Human nature's vain  
As violent nature's game

Oh, oh, oh

We are animal  
Only animal  
Still just animal  
Always animal

Looking backwards now  
To evolutions course  
Back from gardens  
Into this jungle
