

# Ja Rule, Between Me And You

Murder Inc. shit  
Uh... uh, uh, uh

[Chorus: Christina Milian]

Now every little thing that we do (that we do)  
Should be between me and you (me and you)  
The freaky things that we do (that we do)  
Let's keep between me and you (me and you)  
Cause every little thing that we do (that we do)  
Should be between me and you (me and you)  
The freaky things that we do (that we do)  
Let's keep between me and you, ba-byyy

[Ja Rule]

Yo...

Now when I first met her all I thought was "Thong thong-thong"  
like, "Lose the lame, we can get our freakin on"  
Baby know the game, slip away, and slide me yo' number  
It's the last day of spring, see you first day this summer  
I'm a bad motha; shut yo' mouth! Pull the drop out and  
creep at a low speed, cause homey probably know me  
I push the pedal, thoughts of your stilleto  
way up in the air like I think he's here  
Cause see, every time that I'm alone with you (with you)  
Homey be checkin up on you (on you)  
But if that nigga only knew (only knew)  
You've got a lot of freak in you, ba-byyy  
Well now it's startin to rain, I pop the roof and the champagne  
How Jay said? "Money Ain't a Thing"  
It's been close a few, at times even impossible  
But, it's been between me and you, ba-byyy

[Chorus]

[Ja Rule]

Girl it's on again, every year - we hummer 'em in  
Beaches, houses, hoes, foes, friends  
And when the, day ends - that's when it all begins  
You wit him? Here's my room key; holla at me  
While you thinka-think I'ma hit it up  
then look at the nigga you thinkin you love? C'mon love  
We could go there, me and you, creep off all night  
If you love it, in the mornin, awake with new light  
If you lookin like I ain't gonna handle his  
Let me handle my bizzz, it is what it is  
Nigga livin his liiife, and that's my bitch  
You know I gotta wiiiife, let's keep this thing tight, ba-byyy

[Chorus]

[Ja Rule]

Don't let the word get out (shhh), ba-byyy  
This is - strictly between me and you, ba-byyy  
If they - knew we were doin what we were doin it'd probably ruin  
our creep away summer in Cancun'n-and I, love  
the way we get away, throw away a whole day  
Turn off the pagers and phones, we in the zone like  
"Fuck liife, we live liife  
This is our liife, live your liife"

[Christina Milian]

Cause see, every time that I'm alone with you (with you)  
Shorty be checkin up on you (on you)

But if baby girl only knew (only knew)  
You've got a lot of freak in you, ba-byyy

[Ja Rule]

Did I ever tell you, my man love what you do  
That little thing with yo' tongue; you the best, who knew?  
It's been close a few, at times even impossible  
But, it's been between me and you, ba-byyy

[Chorus]

(That we do)  
(Me and you)  
(That we do)  
(Me and you)  
(That we do)  
(Me and you)  
(That we do)  
(Me and you)
