

# Ja Rule, Mesmerize (Unedited Version)

Girl, your stare, those eyes I  
(Love it when you look at me, baby)  
Your lips, your smile I  
(Love it when you kiss me, baby)  
Your hips, those thighs I  
(Love it when you thug me, baby)  
And I can't, deny I  
(Love it when I'm wit' you, baby)  
I've got a fetish for fuckin' you wit' your skirt on  
On the backstreet in the back seat of the Yukon  
What's takin' so long, I'm gettin' anxious  
But patiently waitin' for you to tell a nigga to move on  
Between me and you, we could find each other  
Flyin' abroad in my private G-2  
I ain't tryin' to G you, I'm tryin' to see you  
Bend over, you know how we do it, feet to shoulders  
Bring heat to coldest night, so ferocious  
Now you street promotin' the dick, game is potent  
'Cause in the bed nigga go hard like Jordan  
Sweat pourin', lovin' the way you be moanin'  
Grippin' the sheets, lookin' at me, lickin' at me  
'Cause every woman just wanna be happy  
And it's crazy, but baby, I (Love it when I'm wit'  
you, baby)  
Girl, your stare, those eyes I  
(Love it when you look at me, baby)  
Your lips, your smile I  
(Love it when you kiss me, baby)  
Your hips, those thighs I  
(Love it when you thug me, baby)  
And I can't, deny I  
(Love it when I'm wit' you, baby)  
I wana get away 'cause you know like I know  
And there's a better day, comin', I'm hooked on your  
lovin'  
Believe me and when you hold my body  
I know you need me, wait for me baby  
I've been goin' half-crazy for your love  
And I was told that the sex is better than drugs  
Then get addicted, boy, listen  
I'm the only piece of the puzzle you're missin'  
Like when we kissin' (Bye-Bye-Bye)  
You got a girl that'll (Ride-ride-ride)  
So take me tonight  
And do what you do to me, baby  
Girl, your stare, those eyes I  
(Love it when you look at me, baby)  
Your lips, your smile I  
(Love it when you kiss me, baby)  
Your hips, those thighs I  
(Love it when you thug me, baby)  
And I can't, deny I  
(Love it when I'm wit' you, baby)  
Shorty, are you really gettin' bored with me or him  
'Cause though I play a lot of games, I play 'em to win  
(But then again I'm still young and livin' my  
life)  
You know you're right and I'm the type  
To pull up to your bumper, get your number, baby  
(I can only help but wonder)  
What life would be without (My sweet baby)  
Yeah, you're my baby (Holla if you hear me)  
Ah...ah...ah...  
You can understand that my love is pain

And how I'm feelin', babe, it's just a woman thing  
(It's a man's world, but I understand)  
Well, there's still nothin' different boy, stick to  
the plan  
{ be my down ass wit' your round ass)  
I know I'm feelin' you (Like you be feelin' me)  
The way you're holdin' my body, the way you touch me  
Girl, your stare, those eyes I  
(Love it when you look at me, baby)  
Your lips, your smile I  
(Love it when you kiss me, baby)  
Your hips, those thighs I  
(Love it when you thug me, baby)  
And I can't, deny I  
(Love it when I'm wit' you, baby)  
I love when you touch me, baby  
All over my body, baby  
I love when you kiss me, baby  
All over my body, baby  
I love when you touch me, baby  
All over my body, baby  
I love when you kiss me, baby  
All over my body, baby  
Girl, your stare, those eyes I  
(Love it when you look at me, baby)  
Your lips, your smile I  
(Love it when you kiss me, baby)
