

Ja Rule, Where Would I Be (Feat. Vita)

where would i be without my baby
the thought alone might break me
and i don't wanna go crazy
but every thug needs a lady
man i feel like you and me been born in together
inseprable you choose pain over pleasure
for that you'll forever be part of me
my body and soul ain't no i in we baby
when you cry who wipes your tears
when your scared you's tellin you
there's nothin to fear
girl i'll always be there
when you need a shoulder to lean on never hesitate
knowin you can always call on your soul mate
and vise versa and that's why i'll always be the first to
see ya come and frost your wrist up
now you owe me one
i know your tired of bein lonely
so baby gurl put it on me

CHROUS:

where would i be without you
you know this feeling is true
i know your tired of bein lonely
so baby gurl put it on me
i apreciate the roks and gifts that you cop me baby
and the house on the hill where you droped like 80
on the down payment
thinkin damn ain't life crazy
and ever since for my honey i've been twice the lady
what would i do without the nights that you kept me warm
when it's cold rule had a gurl
cought in the storm
and accept who you with
when you caught in the wrong
and respect when you flip
cause our love is strong
and when you hit the block i'll watch for 10/4
and when my pops is asleep just knock on the back door
baby boy we been down since jr. high
so when life get hot in july
it's the world against you and i
we ballin together
and never part from the heart
knew that it would last forever
when you told me you would never leave me lonely
so baby boy put it on me

CHROUS

since it's been better for you and i
a tear for a tear
baby eye for an eye
and you know that my heart go cry
if you leave me lonely
cause you not just my love you my homie
who's gonna consoul me, my love
i'm outta control hold me, my love
cause i'm yours
and i don't wanna do nothin to hurt my baby gurl
if this was our world i'd be all yours baby
the thought alone might break me
and i don't wanna go crazy
cause every thug need a lady
i feel you baby gurl them eyes aint lie
wash away all the tears
there be no more cryin baby

and you can beat me and
i would die if you ain't with me
so baby gurl put it on me
