

# Jack Greene, I Wanna Be Free

Well I look out the window and what do I see  
The breeze is a blowin' the leaves from the trees everything is free everything but me  
I'm gonna take this chain from around my finger  
And throw it just as far as I can slinger cause I wanna be free  
When my baby left me everything died  
But a little bluebird was singin' just outside singin' twidle-de-dee fly away with me  
Well you know I think I'm a gonna live gotta lotta love left in me to give  
So I wanna be free  
I released my heart my soul and my mind and I'm a feelin' fine  
I broke the chain the ring of gold before it broke my mind  
Well look who's a cryin' and it sure ain't me  
But I can't hardly hear and I can't have see oh I wanna be free  
I release my heart...
