Uh me n honey on the dance floor just flexin  
Till the neck on my white T start stretchin  
Liquor comin outta our paws and we sweatin  
But that aint slowin us down, we still steppin  
Her gear is strong, her hair is long, her feet is small  
And she smoke weed and all, so we gonna pop us a bottle  
And blow a good splif, VIP is crowded but they all look stiff  
I'm well connected, I got wolves over there, and \*\*\*\*\*z that  
Act like pitbulls over here, ya I'm just doin my 1 2 and shit  
She's shakin it, doin that Saint Louis shit with her back in it  
So I put my bones in it, the rollz go prezzy, got the pink stones in it  
Why you want drama with me, I aint gonna blast you  
Before I put the money on ya head I'ma ask you \*\*\*\*\*

[Chorus x2 - Jadakiss]  
(Wow) What you so mad at now?

Haze'll have you feelin like you in another town  
Then its time for the gangstas so get the rubbers now  
K I two of them swirled things one more drink and ya boy  
Might be doin the earl thing, ma its me, you and whoever ya girl bring  
Meet me in the back, I'm outside the pearl thing

[Verse 3 - Jadakiss]  
Can't knock a \*\*\*\*\* that didnt make it, if you try  
Far as me though, my spot is celitified so when I hit my number  
I'ma hit it high and when I'm dead and gone, they gonna say I did it live  
'cause I done been too nice for way to long, they cant hold me back I'm way to strong  
Double R D-Block that's what it is and that's what its gonna be
