

# Jake Flint, Hallelujah (Leonard Cohen)

Baby I've been here before  
I know this room, I've walked this floor  
I used to live alone before I knew you  
Yeah, I've seen your flag on the marble arch  
But listen love, love is not some kind of victory march  
No it's cold and it's ever a broken Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
There was a time when you'd let me know  
What's really going on below  
Oh but now you never show it to me, do ya?  
Oh but I remember yeah, when I moved in you  
And the holy dove she was moving too  
Yes and every single breath that went through us, Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Maybe there's a God above  
As for me all I ever seemed to learn from love  
Is how to shoot at someone who outdrew you  
Yeah but it's not a complaint that you hear tonight  
It's not the laughter of someone who claims to have seen the light  
No it's cold and it's ever a lonely Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
I did my best, it wasn't much  
I couldn't feel so I learned to touch  
I've told the truth, I didn't come all this way to fool you  
Yeah and even though it all went wrong  
I'll stand right here before the Lord of Song  
With nothing on my tongue but Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah  
Hallelujah
