

# James Arthur, Naked

hey, you there  
can we take it to next level  
baby, do you dare?  
don't be scare  
caused if you can say the words  
I don't know  
why I should care

cause here I am  
I'm giving all I can  
but all you ever do is mess it up

yes, I'm right here  
I'm trying to make it clear  
that getting half of you  
just ain't enough  
I'm not gonna wait  
until you're done  
pretending you don't need anymore

I'm standing here naked  
naked, naked  
I'm standing here naked  
naked, naked  
I'm not gonna try  
till you decide  
you're ready to swallow  
all your pride  
I'm standing here naked  
naked, naked  
I'm standing here naked  
naked, naked

hey. get out  
I've got nothing left t o give  
and you give me nothing now  
read my mouth  
if you ever want me back  
then your walls need breaking down

cause here I am  
I'm giving all I can  
but all you ever do is mess it up

yes, I'm right here  
I'm trying to make it clear  
that getting half of you  
just ain't enough  
I'm not gonna wait  
until you're done  
pretending you don't need anymore

I'm standing here naked  
naked, naked  
I'm standing here naked  
naked, naked  
I'm not gonna try  
till you decide  
you're ready to swallow  
all your pride  
I'm standing here naked  
naked, naked  
I'm standing here naked  
naked, naked

I wanna give you everything  
I wanna give you everything  
I wanna give you everything  
I wanna give you everything

I wanna give you everything  
I wanna give you everything  
I wanna give you everything  
I wanna give you everything

I'm not gonna wait  
until you're gone  
cause you pretended  
you don't need anyone  
Can't you see that I'm naked?  
naked, naked  
I'm standing here naked  
naked, naked  
I'm not gonna try  
till you decide  
you're ready to swallow  
all your pride  
I'm standing here naked  
naked, naked  
I'm standing here naked  
naked, naked

I'm standing  
I'm standing here
