

# James Blake, You're Too Precious

so now, now, so now, so now  
so now, now, so now, so now  
you're too , you're too, you're too precious  
you're too, you're too precious  
so now, now, so now, so now  
so now, now, so now, so now  
it looks, it looks,  
it looks, it looks,  
it looks like  
you're too, you're too precious  
you're too, you're too precious
