

# James Blunt, The Greatest

too much to say  
too much to lose  
I get frustrated thinking  
about the world I brought you to  
it's a battle of time  
that I have with you

but don't decide the how  
the when or if we'll make it through  
I feel that you deserve a chance  
to know the truth and to be better than  
the ones who came  
before you only to let pride and money weaken them  
so be the young  
the brave  
the powerful  
cause we need a soul to save us  
need some to be the greatest  
so many words  
veiling the truth

the others turning and it's time for us to choose  
and people will try  
to take you down too  
but if I was a betting man  
i'd put all my money on you  
I know that I have nothing left to give  
of you to make you better than  
the man I failed to be  
the friends and father  
that I know I should have been  
so be the young
