

Jamie Slocum, My Heart Knows

My Heart Knows
Kyle Matthews

I've thought it through
And I've decided
I'm sure of You
Whatever happens to me
Whatever happens to me
And if you lead
Where there is no path
Where there's no way out
And no way back

CHORUS:

I will go where I have to go
Give what I have to give
Face what I have to face
And I will live where I have to live
My heart knows where home is
My heart knows my home is with You

The road is rough
My courage leaves me
The way of love
Was never easy for You
And it won't be easy for me
But If you'll reach down
From time to time
And let me feel
Your hand In mine

REPEAT CHORUS

Until my world is a distant star And all I have is who You are

REPEAT CHORUS
