Bad girls gonna swalla
Bust down on my wrist in this bitch
My pinky ring bigger than this
Met her out in Beverly Hills
Dolla got too many girls
Met her out in Beverly Hills
All she wear is red bottom heels
When she back it up
Putting on her snapback
When she dropping low
Utting on her backpack
DJ popping
She doing swallow that
Champagne popping
She doing swallow that

All you girls in here
It; you're feeling thirsty
Come on take a sip
Cus you know what I'm serving
