

Jason Derulo x David Guetta, Goodbye (feat. Nicky

time to say goodbye
but don't leave me alone
just stay for the night
(I need you
I need you tonight)

ohh it's 3 in the morning
when you want some
you phone me
one word in Espanola babe
and I come
and you know

girls om Haiti , they throw it
in Jamaica, they roll it
girls in Spain do the moistest
but only you got my focus

girl I'm down for your lovin
down for my fatty fatty
down for your lovin
down for my naughty, naughty
down for your lovin
I give you my lovin
satay with me cause

it's time to say goodbye
but don't leave me alone
just stay for the night
(I need you
I need you tonight)
baby, you know
time to say goodbye
but don't leave me alone
just stay for the night
(I need you
I need you tonight)
baby, you know
