

# Jax Jones, Breathe (feat. Ina Wroldsen)

You're my discretional sin  
I feel you on my when I touch my skin  
you got me hooked and you ain't let me in  
and I look in your eyes  
I'm on the edge

You're on my mind like a song that I can't escape  
I don't know how many dadadums  
I can take  
I need to know if you're feeling  
feeling the same  
is it too late?

but now it's hard to breathe  
I'm not in love  
it's just a game we do  
I tell myself I'm not that into you  
but I don't wanna sleep  
it's quarter after 3

you're in my head like dum dum dadadada  
dum dum dadadada  
you're in my head like dum dum dadadada  
dum dum dadadada

you're my obsession, my truth  
I call my lifeline whenever I'm with you  
and now I dialed your number again  
and you come over and over, and then

you're on my mind like a song that I can't escape  
I don't know how many dadadums  
I can take  
I need to know if you're feeling  
feeling the same  
is it too late?

but now it's hard to breathe  
I'm not in love  
it's just a game we do  
I tell myself I'm not that into you  
but I don't wanna sleep  
it's quarter after 3

and now it's hard to breathe  
I'm not in love  
it's just a thing we make  
we're skin on skin  
I need this spell to break  
but I don't wanna go and I know that you know

you're in my head like dum dum dadadada  
dum dum dadadada  
you're in my head like dum dum dadadada  
dum dum dadadada

and now it's hard to  
breathe (thing we make)  
breathe (thing we do)  
breathe (thing we make)  
breathe  
and now it's hard to  
breathe (thing we make)  
breathe (thing we do)

breathe (thing we make)

and now it's hard to breathe  
I'm not in love it's just a game we do  
I tell myself I'm not that into you  
but I don't wanna sleep  
it's quarter after 3

and now it's hard to breathe  
I'm not in love  
it's just a thing we make  
we're skin on skin  
I need this spell to break  
but I don't wanna go and I know that you know

you're in my head like dum dum dadadada  
dum dum dadadada  
you're in my head like dum dum dadadada  
dum dum dadadada
