

Jay-Z & Kanye West, Gotta Have It

[Intro: Kanye West & James Brown]

Turn my headphones up

Louder

Uh-huh, uh-huh

What you need, what—what you need

I got what you need, what—what you need

What you need, what—what you need

I got what you need

[Verse 1: Kanye West & Jay-Z]

Hello, hello, hello, hello, white America, assassinate my character

Money matrimony, yeah, they tryna break the marriage up

Who gon' act phony or who gon' try to embarrass ya?

I'ma need a day off, I think I'll call Ferris up

Bueller had a Muller, but I switched it for a Mille

'Cause I'm richer, and prior to this shit, was movin' free base

Had a conference with the DJs (Yeah?), Puerto Rico, three days

Poli with the PDs, now they got our shit on replay

Sorry I'm in pajamas, but I just got off the PJ

And last party we had, they shut down Prive

Ain't that where the Heat play? (Yup)

Niggas hate ballers these days (Yup)

Ain't that like LeBron James?

Ain't that just like D-Wade? Wait

[Interlude: James Brown]

What you need, what—what you need

I got what you need, what—what you need

What you need, what—what you need

I got what you need

[Verse 2: Jay-Z & Kanye West]

What's up, what's up, what's up, what's up, motherfucker? Where my money at?

You gon' make me come down to your house where your mommy at

Mummy wrap the kids, have 'em cryin' for they mommy back

Dummy that your daddy is, tell him I just want my racks

Racks on racks on racks (Racks)

Maybachs on 'Bachs on 'Bachs on 'Bachs on 'Bachs

Who in that? Oh shit, it's just Blacks on Blacks on Blacks

Hundred stack, how you get it? Nigga, layin' raps on tracks

I wish I could give you this feeling, I'm planking on a million

I'm riding through your hood, you can bank I ain't got no ceiling

Made a left on Nostrand Ave, (Right), we in Bed-Stuy

Made a right on 79th, I'm coming down South Shore Drive

I remain Chi-Town, Brooklyn 'til I die

[Outro: James Brown]

Take 'em on home

I got what you need, what—what you need

Take 'em on home

What you need, what—what you need

I got what you need, what—what you need

Take 'em on home

Tryna hurt my name, huh?
