

# Jay-Z & Kanye West, No Church in the Wild

[Chorus: Frank Ocean]

Human beings in a mob  
What's a mob to a king?  
What's a king to a god?  
What's a god to a non-believer  
Who don't believe in anything?  
Will he make it out alive?  
Alright, alright  
No church in the wild

[Verse 1: JAY-Z]

Tears on the mausoleum floor  
Blood stains the Colosseum doors  
Lies on the lips of a priest  
Thanksgiving disguised as a feast  
Rolling in the Rolls-Royce Corniche  
Only the doctors got this, I'm hiding from police  
Cocaine seats  
All white like I got the whole thing bleached  
Drug dealer chic  
I'm wondering if a thug's prayers reach  
Is Pius pious 'cause God loves pious?  
Socrates asked whose bias do y'all seek?  
All for Plato, screech  
I'm out here balling, I know y'all hear my sneaks  
Jesus was a carpenter, Yeezy laid beats  
Hova flow the Holy Ghost, get the hell up out your seats  
Preach

[Chorus: Frank Ocean]

Human beings in a mob  
What's a mob to a king?  
What's a king to a god?  
What's a god to a non-believer  
Who don't believe in anything?  
Will he make it out alive?  
Alright, alright  
No church in the wild

[Bridge: The-Dream]

I live by you, desire  
I stand by you, walk through the fire  
Your love is my scripture  
Let me in through your encryption  
Yeah, yeah

[Verse 2: Kanye West]

Coke on her Black skin made it stripe like a zebra  
I call that jungle fever  
You will not control the threesome  
Just roll the weed up until I get me some  
We formed a new religion  
No sins as long as there's permission  
And deception is the only felony  
So never fuck nobody without telling me  
Sunglasses and Advil  
Last night was mad real  
Sun coming up, 5 a.m.  
I wonder if they got cabs still  
Thinking 'bout the girl in all leopard  
Who was rubbing the wood like Kiki Shepard  
Two tattoos, one read, "No apologies"  
The other said, "Love is cursed by monogamy"  
That's something that the pastor don't preach

That's something that a teacher can't teach  
When we die, the money, we can't keep  
But we'll probably spend it all 'cause the pain ain't cheap  
Preach

[Chorus: Frank Ocean]  
Human beings in a mob  
What's a mob to a king?  
What's a king to a god?  
What's a god to a non-believer  
Who don't believe in anything?  
Will he make it out alive?  
Alright, alright  
No church in the wild

[Outro: Frank Ocean]  
No church in the wild  
No church in the wild  
No church in the wild
