## Jay-Z, Part II (On The Run) Feat. Beyonce

[Beyoncé:]

Who wants that perfect love story any way, anyway

Cliché, Cliché

Cliché, Cliché

Who wants that hero love that saves the day, anyway

Cliché, Cliché

Cliché, Cliché

What about the bad guy goes good, yeah

And the missing missing love that's misunderstood, yeah

Black hour glass, our glass

Toast to clichés in a dark past

Toast to clichés in a dark past

[Jay-Z:]

Boy meets girl, girl perfect women

Girl get the bustin' before the cops come running

Chunking deuces, chugging D'USSE

Fuck what you say, boys in blue say

[Beyoncé:]

I don't care if you on the run

Baby as long as I'm next to you

And if loving you is a crime

Tell me why do I bring out

The best in you

I hear sirens while we make love

Loud as hell but they don't know

They're nowhere near us

I will hold your heart and your gun

I don't care if they come, noooo

I know it's crazy but

They can take me

Now that I found the places that you take me

Without you I got nothing lose

[Jay-Z:]

I'm an outlaw, got an outlaw chick

Bumping 2Pac, on my outlaw shit

Matching tatts, this lnk don't come off

Even if rings come off

If things ring off

My nails get dirty

My past ain't pretty, my lady is, my Mercedes is

My baby momma harder then a lot of you niggas

Keep it 100, hit the lottery niggas

You ain't about that life ain't gotta lie to me, nigga

You know its till the death, I hope it (..) to niggas

Cross the line, speak about mine

I'mma wave this tech, I'mma geek about mine

Touch a nigga where his rib at, I click clat

Push your ma'fucka wig back, I did that

I been wilding since a juvi

She was a good girl till she knew me

Now she is in the drop bussin' U'e

Screaming...

[Beyoncé:]

They can take me

Now that I found the places that you take me

Without you I got nothing lose

[Jay-Z:]

Deeper then words, beyond right
Die for your love, beyond life
Sweet as a Jesus piece, beyond ice
Blind me baby with your neon lights
Ray Bans on, police in sight
Oh, what a beautiful death
Let's both wear white
If you go to heaven and they bring me to hell
Just sneak out and meet me, bring me a box of L's
She fell in love with the bad guy, the bad guy
What you doing with them rap guys, them rap guys
They ain't see potential in me girl, but you see it
If it's you and me against the world, then so be it

[Beyoncé:]
I don't care if they give me life
I get all my life from you
And if loving you had a price
I would pay my life for you

I hear sirens while we make love Loud as hell but they don't know They're nowhere near us I will hold your heart and your gun I don't care if they come, noooo I know it's crazy but

I don't care I will never give it up Give it up, give it up, give it all away No I swear, no I swear Without you I got nothing to lose
