

Jeff Scott Soto, Love Parade

I know a place where we can hide from the oppression
It's a new road 2 survival
Just leave your jealousies & secrets on the counter
Come on join the new world revival, kick it!

The world outside is full of racism & anger
But I've now found the solution
Just grab your brother, sister, neighbor, friend or foe
Join the peace, love revolution

We're goin' round & round
I think it's time 2 put our heads 2gether
Let's hype the new world!
The walls r comin' down, We'll win the fight
1 & all aboard
We're ready 2 the future

Tangerine wishes
Rainbows that colour the LOVE PARADE
4 butterfly dreamers
Strawberry life
Won't u come with me now 2 the LOVE PARADE?

I was born skin... brown, U know I'm damn proud
This rhyme I'm hummin's been a long time comin'
Gonna rock u, gonna funk u, gonna make me cry
U dont like what I'm sayin', let's take it outside!

Everybody come on, everybody, we're goin' down

Tangerine wishes
Rainbows that colour the LOVE PARADE
4 butterfly dreamers
Strawberry life
Won't u come with me now 2 the LOVE PARADE?

Peace, love & joy
It's all figured out in the LOVE PARADE
It's what we believe in
C'mon open your eyes
U die without knowin' the LOVE PARADE

THANK U !
