

# Jennifer Lopez, Baby I Love You

boy i never knew i could feel  
the way i felt when i felt the way  
you were feeling me baby  
i'm so out of control, yeah

everytime you look my way  
i realize more and more  
how much i adore those pretty eyes  
of yours i'm helpless baby

what i wanna know is  
are you willing to try  
can you love me for a lifetime  
in just one night

baby i love you (love you)  
baby i need you (need you)  
i gotta have you (gotta have you babe)  
can't be without you  
(repeat)

blessed and cursed on the same day  
the day that i first felt the power of you  
inside of me, such a strong feeling  
there comes a time in everyone's life  
when you know, and everyone around you knows  
that everything is changed,  
you're not the same, it's a new day

oh what i wanna know is,  
are you willing to try  
there's gotta be more meaning to this  
than what meets the eye

baby i love you  
baby i need you  
i gotta have you  
can't be without you

oh, i love the way you kiss me  
oh, baby please  
i'm about to lose my mind  
oh talk to me, cause i'm begging for you  
and i'm down on my knees  
baby, i know you're the one that i need

baby i love you (love you)  
baby i need you (need you)  
i gotta have you (gotta have you babe)  
can't live without you (be without you)
