

# Jennifer Lopez, Do It Well (Bonus Track)

Do it, do it  
You do it, do it  
You're doin' it well

Here's the thing  
I was mindin' my business doin' what I do  
I wasn't trynna look for anything  
Alla sudden, couldn't take my eyes off you  
I didn't even know if you could tell  
That you had me in a daze  
Sayin', "What the hell?"  
Here's my name, number  
Baby, just hit my cell  
Lovin' everything you do  
'Cos you do it well  
Don't know what you got me thinkin'

You ain't even trynna play me, boy  
'Cos you're so good and you're so fine  
Got me sayin' crazy things, listen

I ain't never met a man like that  
I ain't never fell so far, so fast  
You can turn me on, throw me off track  
Boy, you do it, do it  
You do it, do it  
You're doin' it well  
I ain't never met a man like that  
I ain't never fell so far, so fast  
You can turn me on, throw me off track  
Boy, you do it, do it  
You do it, do it  
You're doin' it well

Lemme tell you how it's gonna go  
You and me gonna need a little privacy  
I don't wanna do the dance, no do-si-do  
Need a one-woman man seven days a week  
Quit trynna play it cool, boy, and  
Make your move  
I told you how it is  
Nothin' to lose  
You been starin' over here all night for free  
And I ain't takin' cash or credit, just a guarantee  
There ain't nobody else but me, boy

You ain't even trynna play me, boy  
'Cos you're so good and you're so fine  
Got me sayin' crazy things, listen

I ain't never met a man like that  
I ain't never fell so far, so fast  
You can turn me on, throw me off track  
Boy, you do it, do it  
You do it, do it  
You're doin' it well  
I ain't never met a man like that  
I ain't never fell so far, so fast  
You can turn me on, throw me off track  
Boy, you do it, do it  
You do it, do it  
You're doin' it well ("Luda!")

"Ludacris"

"Can't nobody do it quite like me (nope!)  
Hit it just right through the night like me (yep!)  
Have 'em outta sight and invite like three  
To hit the night life, they say, "Ay papi!"  
Ay mami! It's nice to meet ya  
Me gusta hermosas seoritas  
I love how you shake your distinctive features  
My name's Ludacris and I'd like to freak ya  
They say, "No parar, do it again"  
And you know me so I'm like, "Muy bien"  
I'm the numero uno rico hombre  
Baby, feel this and grita mi nombre  
Todo la noche  
No, you won't say, "Skip the fo'play"  
Sip some Ros  
Either that or some Veuve Clicquot  
And on that note, adi&oslash;s amigos"

Baby, no need for false pretenses  
Think you just shocked me to my senses  
Everything that you do feels right  
Do it, do it  
Do it, do it all night

I know  
You're thinking  
Been thinkin' it too, babe

I ain't never met a man like that  
I ain't never fell so far, so fast  
You can turn me on, throw me off track  
'Cos you do it, do it  
You do it, do it  
You're doin' it well  
I ain't never met a man like that  
I ain't never fell so far, so fast  
You can turn me on, throw me off track  
Boy, you do it, do it  
You do it, do it  
You're doin' it well

I ain't never met a man like that  
I ain't never fell so far, so fast  
You can turn me on, throw me off track  
Boy, you do it, do it  
You do it, do it  
You're doin' it well  
I ain't never met a man like that  
I ain't never fell so far, so fast  
You can turn me on, throw me off track  
Boy, you do it, do it  
You do it, do it  
You're doin' it well
