

# Jennifer Lopez, Feel The Light

Here I go  
Here I go  
Feel better now  
Feel better now  
Here I go  
Here I go  
It's better now  
Feel better now

Do you remember when we fell under  
Did you expect me to reason with thunder  
I still remember when time was frozen  
What seemed forever was just a moment  
Hurry up, hurry up  
There's no more waiting  
We're still worth saving

Feel the light  
Shining in the dark of night  
Remember what we forgot  
I know it's a long shot  
But we're bringing it all back  
We're bringing it all back  
Feel the light  
Shining like the stars tonight  
Remember what we forgot  
I know it's a long shot  
But we're bringing it all back  
We're bringing it all back

Here we go  
Here we go  
It's better now  
Feel better now
