Jennifer Lopez, I'm Into You

Hi, I'm Tune, the man on the moon
I live on the beach, get the sand out ya shoes
And all of that changed since I met you
So we can leave that old shit in the restroom
Ok, I'm into you, like you never knew
I'm falling for you baby, I need a parachute
So wet, I need a wetsuit
You're way too fly, I could be ya jet fuel
Now tell me what you like
I like what you tell me
And if you understand me, you can overwhelm me
It's too late, it's too late
Every finish line is the beginning of a new race
Young Money!

You got me and I could not defend her
I tried but I had to surrender
Your star got me under the spellbound
Left me no other choice but to get down
It's too late (x4)
You got it (x4)

When I look into your eyes it's over
You got me hooked with your love controller
I'm tripping and I can not get over
I'm feeling lucky like a four leaf clover
Cos I'm into you
I'm into you (x2)
Yeahhh
I'm into you (x3)
Yeahhh

Na na na na na na na na na yeah (x4)
Listen, I'm strong baby I bring the fight on
Sharp shooter you can call me the cyon
I'm not the one easy to get to

But all of that changed baby when I met you
It's too late (x4)
You got it (x4)

When I look into your eyes it's over
You got me hooked with your love controller
